Dear Parent/Carer

14th May 2020

May I firstly say that I trust that yourselves and your family are fit and well. Secondly, may I add how excited I am for the future of Gloucester Academy, as we move forward with the Greenshaw Learning Trust (GLT) from the 1st June 2020. I started working, as Headteacher at Gloucester Academy, with the GLT in March 2020. We have already seen massive improvements and are on an ambitious journey.

In the present circumstances we are making special arrangements to keep new parents as informed as possible and to make the transition for your children as positive as possible. Details will be published very shortly. However, please do contact us on transition@gloucesteracademy.com with any queries.

Communication

Lots of the information you need will be posted on our new website www.gloucesteracademy.co.uk, which will be going live in June 2020. In the meantime please do look at the current website www.gloucesteracademy.com, which will host some relevant information. Please be aware that some documents, such as the uniform policy, will be updated and communicated on the new website and by letter. There is also a 'Year 6 Transition' section to be found on the website. We also share much information on our twitter account @GloucsAcademy, please do follow us and send a message!

Fun Friday's

To keep spirits up in this difficult time we are continuing our Friday Fun Challenge for students during remote learning. We would like to invite all our new Year 7 students to join in with these competitions. Follow us on Facebook, or our Twitter page @GAFunFri to find out more information on how to enter. Details for this will also be found on our Year 6 Transition section on our website.

Information Request

Following the launch of our new website in June 2020, an online Registration form and Home School Agreement Form will be available for you to complete. This will enable us to collate important information regarding your son or daughter. We will contact you by email to confirm when this is available for completion. You may now have already received a paper version of these documents to return by post. However, these can be completed via the website if you would prefer to submit this information this way.

Once again, may I welcome you to the Gloucester Academy family; we very much look forward to meeting with you and building a strong positive relationship.

Yours sincerely

Mr J Heap
Headteacher
